

Mr. J. A. Griffin Promoted.

The many Ocala friends of Mr. J. Arthur Griffin, who formerly lived here, will be pleased to learn of his promotion to cashier of the Exchange National Bank at Tampa.

The Tampa Tribune has the following to say about Mr. Griffin:

"The election of J. A. Griffin cashier in place of C. J. Huber, resigned, is the promotion of a young man who is in every way eminently qualified for the place. He is a thorough banker, commenced at the bottom of the ladder and has climbed upward until he reached an enviable position at the top."

The following is what the Tribune says of Mr. Huber, who is also well known in this city:

"The resignation of Mr. Huber was received with reluctance. He has made the bank an admirable cashier and is a gentleman that is universally popular with the public. He will shortly remove to Texas, where he goes to look after his personal interests that demand his entire time and attention."

Orange Lake.

Stirring events are transpiring in our little village these cold days. A new store has been added and also the family of Mr. Martin of Jacksonville.

The orange men are rejoicing greatly over their orange crop. A great many were shipped from around this place.

Mr. B. R. Chambers has returned home after an absence of several months at Newberry.

Miss Elizabeth Mizelle returned last Friday after a two week's visit to relatives and friends at Melbourne.

Miss Lula Moreland, of Ft. White, was a visitor to our town during the holidays.

Dr. Walker and family, of Jacksonville, spent the holidays with their mother, Mrs. M. A. Hickson, of this place.

A Good Recommendation.

"I have noticed that the sale on Chamberlain's Stomach & Liver Tablets is almost invariably to those who have once used them," says Mr. J. H. Weber, a prominent druggist of Cascade, Iowa. What better recommendation could any medicine have than for people to call for it when again in need of such a remedy? Try them when you feel dull after eating, when you have a bad taste in your mouth, feel bilious, have no appetite or when troubled by constipation, and you are certain to be delighted with the prompt relief which they afford.—For sale by Anti-Monopol Drug Store. m

A Marion County Citizen.

Mr. Gaitskill, of Marion, promises to show us some fine cattle when the next fair opens. But the gentleman is nothing if not hospitable and we are very sure that those seeking light and making notes will always be welcome at the permanent exposition he holds on his farm. Those who have any lingering doubts as to the future of Florida can assure themselves of conversion in a day spent in hearing Mr. Gaitskill and seeing what he is accomplishing. But he is a farmer who uses books and is not above the teaching of sciences applied to his business—hence his success.—Times-Union and Citizen.

February Number—New Idea Woman's Magazine.

The principal features of the New Idea Woman's Magazine for February are, as always, the utilitarian, and in patterns, descriptions of costume, fancy work, and domestic affairs there is nothing more helpful to the home maker now published; but the literary features are equally as valuable. The stories are charmingly told and well illustrated. Mrs. E. A. Osborne's paper upon Lincoln, entitled, "A Nation's Patron Saint," is especially appropriate, and Ernest Neal Lyon's poem on Washington emphasizes the patriotic element of the contents. Mrs. Wilson Woodrow's article upon Mrs. Fiske as "Mary of Magdala" continues the series upon the prominent women of the stage.
